ORDER MARE RUNS A FAST MILE AT MORRIS PARK.

Covers the Withers Course in 1:41, the Record for the Meeting—Ada Nay Beats Old Lady—Fly Wheel and Belvino Successful -A Good Day for Talent

Players of form had an afternoon of profit at Morris Park yesterday, four favorites, a second and a third choice sweeping the card successfully. While the prorgamme did not bristle with any big feature, the racing was interesting and probably 8,000 enthusiasts took an outing that was thoroughly enjoyable. Among the owners whose colors were flashed to the front, were William C. Whitney, J. B. Haggin, Perry Belmont, Sidney Paget and James Galway, so that one might say it was a

day of prosperity all around.

Mr. Whitney's chestnut mare Smoke, by Order—Alfalfa, in capturing the fifth race, ran the fastest mile of the meeting by cover-ing the Withers distance in 1:41. The mare was ing the Withers distance in 1:41. The hard was in fine trim, led all the way and won eased up by Burns, with three lengths to spare over St. Finnan, who beat Surmise a length. Smoke was favorite at the prohibitive price of 9 to 20, but the big plungers snapped at the odds.

Mr. Haggin scored a notable triumph with Mr. naggin scored a notation with two-year-old chestnut filly Ada Nay, by Maxio-Nayada in the Bambino race at four and a half furlongs on the Elcipse course, when she outgamed and outran J. The race was between Ada Nay, ridden by Wonderly, and Old Lady, with Burns up. They rushed along neck and neck to the last sixteenth, when Mr. Haggin's filly drew away, still driven, and passed the judges a length and a half to the good. Old Lady was three lengths before Tugai Bey, a 60 to 1 shot, who was a head before Paramount in a is the second. Doe Skin, 39 (C. Belvino had worked well and, besides that, was the class of the race, the layers kept the price against Mr. Galway's gelding at 3 to 2. Turf Notes.

S. S. Brown's four-year-old colt, Garry Herr-mann has been declared out of the Brooklyn Handi-cap. The colt is said to be touched in the wind. Belvino, the winner of the first race at Morris Park yesterday was run up to \$1,500 by M. Clancy and was then retained with an extra \$5 bid. W. T. McGrath claimed Essene out of the fourth race for \$500.

LENINGTON, May 12.—Joe Redmon has offered \$9.00 for the three-year-old South Trimble. Baker & Gentry, the colt's owners, ask \$15,000, but a compromise on the price is probable. Inventor, another American Derby candidate, has distemper at Louisville, and has been turned out of training. John Hanning of New York has seld to Ed Corrigan the two year-old bay colt Galba, by Major Richards—Miss Preston, for \$3,000.

NEW YORKS BEATEN BY ONE RUN BY ST. LOUIS.

Brooklyns Again Shut Out the Chicagos -Pittsburgs Win as Usual and Quakers Defeat the Cincinnatis-Results of American League Games and Notes.

The New Yorks yesterday lost their fourth game on the present trip out of five played. They were weak with the bat yesterday but at last accounts the St. Louis pitching distance was all right. The Brooklyns, who are playing better abroad than they did at home, shut the Chicagos out for the second successive time. The most exciting part of the League race is the tussle between St. Louis and Cincinnati for last place. Philadelphia beat Cincinnati for last place. Philadelphia beat Cincinnati yesterday and the Reds were passed by St. Louis. The chief interest in Prittsburg's games these days is the score the Champions will win by. They beat Boston 4 to 2 yesterday. In the American League the Bostons and Detroits passed the Chicagos, the Bostons defeating Philiadelphia and the Chicagos losing to Detroit. Baltimore won from Washington and St. Louis had an easy time with Cleveland. The National League results and record follow: St. Louis, 2; New York, 1.

BROOKLYN, 2; CHICAGO, O. BROOKLIN, 2; CHICAGO, 0.

CHICAGO, May 12.—Brooklyn shut out Chicago again to-day by a score of 2 to 0.

The only feature of what proved to be a colorless game of ball was the magnificent work of Kitson, who did the pitching for the visitors. Kitson had everything that a really good pitcher is supposed to have, and the best that Selee's young men could do against his masterly delivery was three scattered singles, two of which were scratches. McLaughlin Leads Aderjan in 18-Inch Contest at Daly's Academy.

Edward McLaughlan and Julius Adorjan the Hungarian expert, played the first block of a 1,500-point contest, 18-inch balk-line, two shots in, at Daly's Academy last night. It was the foreigner's first appearance in this country in a contest for money, and though McLaughlin won the first night's play the former made an excellent impression. He was very clever at massés, and several of his long drives for position were the acme of skill. McLaughlin played strong billiards, doing better work at close carroming than his opponent and getting better position doing better work at close carroming than his opponent and getting better position results. A combination of carelessness and hard luck gave Adorjan many troublesome line-ups. One of his masses, which solved a difficult leave, was a wonderful shot. The cue ball sailed across the table to the red, which was frozen to the end rail, and then twisted all the way back again, catching the side rail as it did so and counted on the white. Big runs were frequent, Adorjan showing unusual speed in piling up the counts. He is a fast player, but was not as steady as McLaughlin. The game was close and interesting. Adorjan running 88 in his second inning and McLaughlin, nothing daunted, responding with 82, missing for failure to send the balls out of balk. The lead alternated, and at the twelfth inning the score was a tie. McLaughlin went out with a chain of 43, mostly ball to ball counts. The score: McLaughlin—2, 0, 82, 0, 2, 2, 55, 34, 1, 0, 9, 20, 30, 4, 0, 16, 48. Total, 360. High runs, 82, 55, 43. Average, 17 11-17.

Adorjan—6, 83, 0, 5, 0, 1, 0, 29, 4, 5, 1, 68, 5, 7, 15, 3, 0. Total, 237. High runs, 88, 68, 29. Average, 13 18-17.
